Viva the Mediterranean look!

SIROCCO

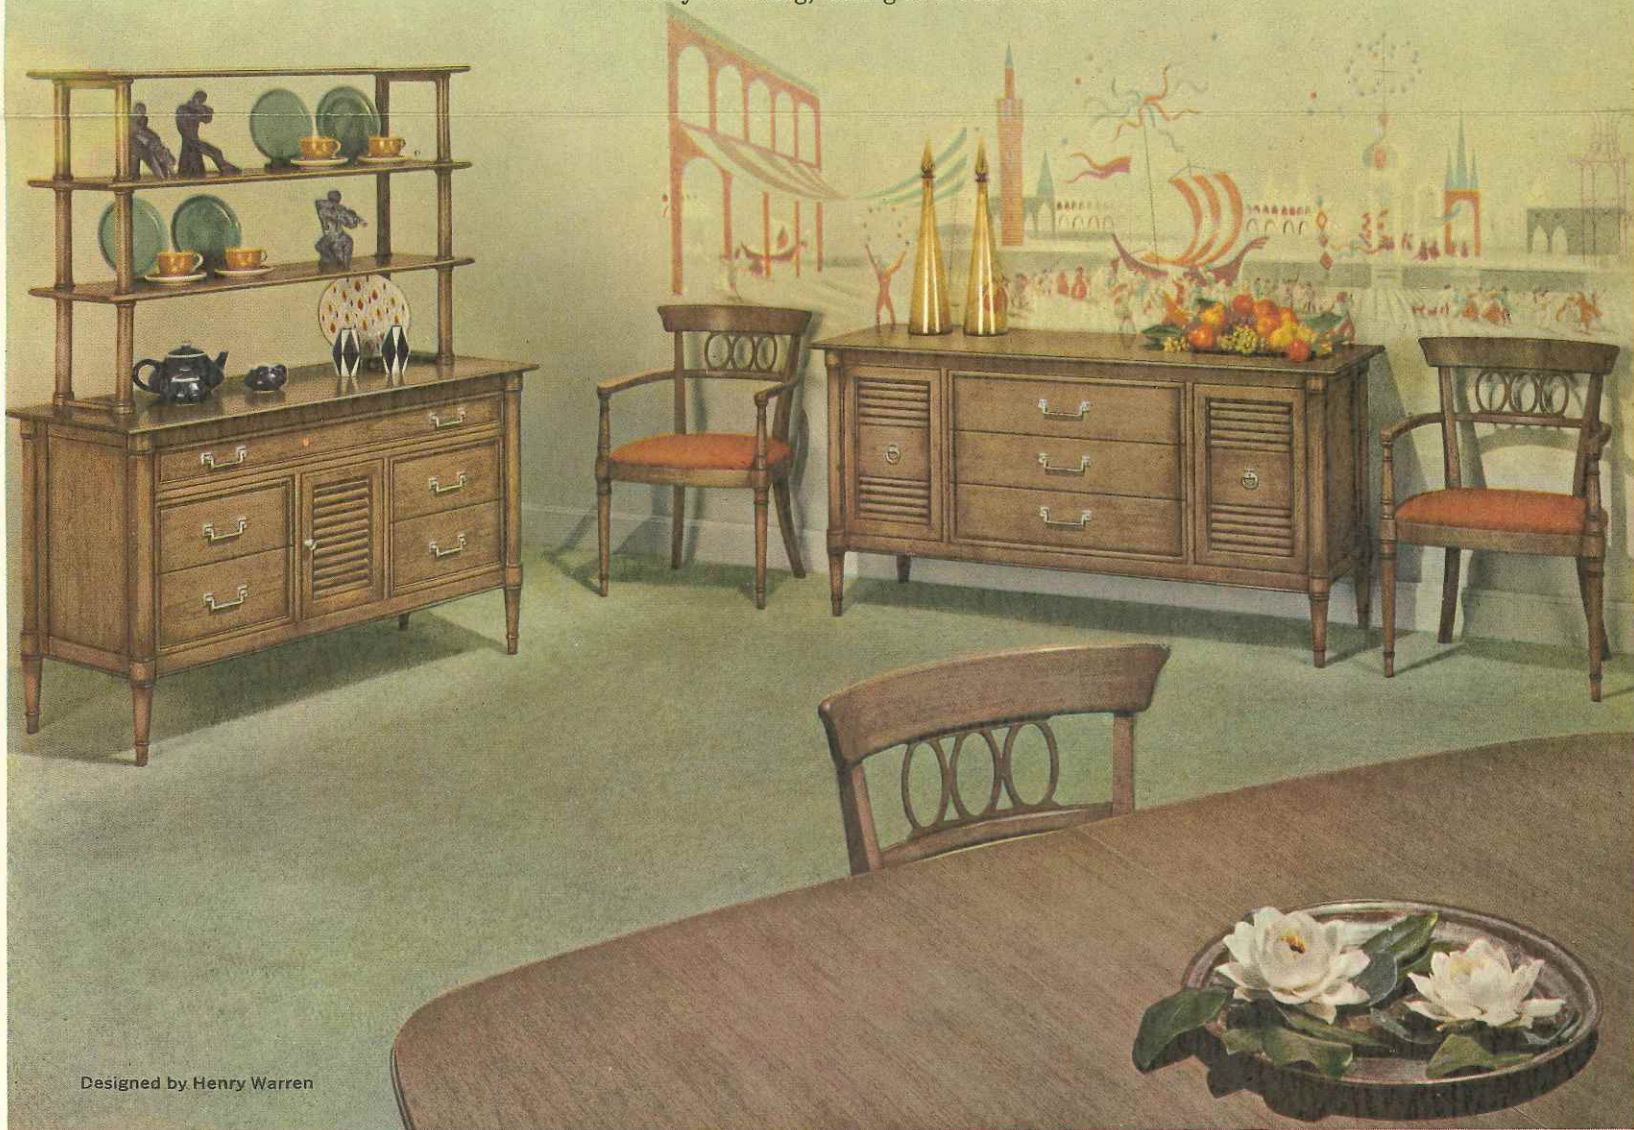

by . . .

Dr

puts cosmopolitan charm in your life!

Romance right off the Riviera . . . breezing your way in the warmth of sun-kissed walnut, aglow with brushed copper drawer-pulls; leathers and fabrics in colors taken from an Adriatic sunset! Practical? But si, signora!

Unusual louvered doors cloak *lots* of storage space! Gentle lines give illusions of splendid size; yet Sirocco's proportions adapt to the most compact apartment. At home with modern or traditional . . . in your living, dining and bedrooms. See Sirocco soon!

This is the new International Look...

wafting delightful living right into *your* home. Sirocco blends Old World elegance with New World informality . . . for a completely different feeling in furniture that is modern or traditional, as you will. Look at the spacious dresser and chest, the graceful living room chairs. That handsome room divider will serve equally well in your living or dining room. Genuine leather tops the cocktail and end tables and cleans sparkling fresh with a damp cloth! Every drawer glides so easily, and every surface stays smooth and gleaming. These and other pieces lend variety and versatility to your planning, and you'll treasure the proud distinction that they bring your home. There is still another difference in Sirocco . . . the "by Drexel" brand . . . your assurance of careful construction and true value. See this wonderful open-stock collection soon.
